MONTHLY REPORT

Prepared for the Northside Studio team

Document date: October 13, 2026

This document records the current project schedule.
The first review is complete and the next stage is ready.
Please check the dates below before your next meeting.

Completed: design review and document preparation.
Next step: confirm the print quantities with the team.
Delivery: the final documents are due next Friday.

Keep a copy of this report with your project records.
Contact the project coordinator if details need updating.
All amounts and dates should be reviewed before printing.

Thank you for reviewing this document.
